

5th International Symposium on Liquid Metals Application for Fusion

ISLA -5

Website: www.isla2017.mephi.ru E-mail: isla2017@plasma.mephi.ru

25-27 September 2017

Moscow, Russia

ISLA-5 continues the series of symposia on liquid lithium applications for fusion. This time, discussions of other liquid metals will also be included in the program.

The program will cover theoretical and experimental data obtained in fusion and laboratory devices, as well as technological and safety aspects of liquid metals.

IMPORTANT DATES:

Abstract submission – May 25, 2017

Registration – July 01, 2017

Conference starts – September 25, 2017

Paper submission – December 01, 2017

International Organizing Committee:

Dr. S. Mirnov **Chairman** (Russia)
Dr. A. Romannikov (Russia)
Dr. M. Ono (USA)
Dr. G. Mazzitelli (Italy)
Dr. F.L. Tabares (Spain)
Dr. Y. Hirooka (Japan)

Local Organizing Committee:

Yu. Gasparyan **Chairman** (MEPhI)
A. Pisarev (MEPhI)
I. Lyublinsky (Red Star)
A. Scherbak (TRINITI)
S. Krat (MEPhI)
A. Shevchenko (MEPhI)

Organized by:
